As part of the QS scheme personal and business-related data is collected for the purposes of quality assurance within the QS scheme. The data is stored in the QS scheme databases, processed and used by QS.

QS is entitled to publish details of my participation in the QS scheme and the status of my delivery eligibility in the QS scheme. Publication involves stating my site numbers, the standards certified, my production types, and my crops in QS internal communication with coordinators or other scheme participants, as well as with service providers in the QS scheme, in addition to and together with my company names and my full address.

If my company/operation is certified, according to the QS-GAP standard, QS, my coordinator and my certification body are permitted to share the data with FoodPlus GmbH - the sponsor of the GLOBALG.A.P. standard - for the purpose of publication in the GLOBALG.A.P. database. I agree with the publication of this data in the GLOBALG.A.P. database. I am aware that the publication of this data by GLOBALG.A.P. shall be to the extent that is determined in line with the applicable data access rules of the GLOBALG.A.P. standard (www.globalgap.org). Publication of this data in the GLOBALG.A.P. database is a prerequisite for my registration and delivery eligibility in the GLOBALG.A.P. standard.

I may withdraw my consent at any time by means of a declaration vis-a-vis my coordinator.
